

SB Components has developed a team of highly-skilled and committed people who are contributing their expertise throughout all areas of our business.

We consider each and every one of our employees to be a vital part of our success and in return for helping us be successful, we strive to offer a good work life balance and regular staff training.

Our employees enjoy the benefit of modern office and workshop facilities with the workshops fully equipped with quality tooling and extensive lifting equipment.

Our welfare areas have all the comforts of home and are regarded as the best in the area by both staff and contractors

We are looking for **Aluminium MIG & TIG Welders** to join our Aluminium department based in Wisbech.

The role of the Aluminium Welder is to manufacture our range of aluminium components including fuel tanks, hydraulic oil tanks, catwalks, side skirts and toolboxes for commercial vehicles aided by SOPs and CAD drawings.

The hours are Monday to Friday- 40 hours per week and the rate is up to £15 per hour.

Trainees will also be considered.

Our Benefits Package:

- Salary: Competitive ££
- Auto Enrol pension from Day 1
- 23 days annual leave - 1 extra day after 3 year's service and a further 1 day after 6 years
- Early finish on a Friday at 1 pm
- Maternity/Paternity leave- 1-week full pay
- Training and professional Development
- Refer a friend scheme

If you are a talented, motivated individual and are looking for a new challenge, then we want to hear from you!!
