

SB Components has developed a team of highly-skilled and committed people who are contributing their expertise throughout all areas of our business.

We consider each and every one of our employees to be a vital part of our success and in return for helping us be successful, we strive to offer a good work life balance and regular staff training.

Our employees enjoy the benefit of modern office and workshop facilities with the workshops fully equipped with quality tooling and extensive lifting equipment.

Our welfare areas have all the comforts of home and are regarded as the best in the area by both staff and contractors
